# Welcome, Great Pumpkin!

In this tellin', th' young Van Pelt is accompanied by ReRun as they sit in th' best most sincere pumpkin patch, anticipatin' th' Halloween arrival of th' Great Pumpkin!

Not ev'ryone was as sincere as Van Pelt, not e'en young ReRun. As they sat vigil, waitin' for th' gourd, doubt began to sit with 'em... That would sure be th' end to all hopes for th' desired visit. But, through th' haze, a renewed sincerity rose up! Then, it grew 'til it was seventeen times it's original size! Sure as rain, this must be it!

But, in a place whar rain is no sure bet, a howlin' wind of change brought in a different haze. This one took away nearly all th' sincerity th' first one gave. Any rustlin' noise after that seemed to be from a cactus that put a spike to all th' greatest pumpkin dreams...

Like a House of Cards... Fallin' like Charley Brown for Lucy's tricks...

But, th' young Van Pelt still believed. As for ReRun...

We've seen this all before... always a treat!

But, why didn't they run Lumpkin?

## Defense

Alas, this is a maligned krewe of lads, and some of ye scoundrels say lassies, too...

But I ask ye, whar would we be without th' scorin' they did in this battle?

Whar would we be without th' thieves that stole four passes?

Whar would we be without th' effort to shore up against th' roadrunners?

So rally 'round these, young and old. They had thar hand in it, too!

# Defending the Pass

It be sure, th' birds were flyin' for bigger skies, as they went deep and to th' left... and right... but did not try th' middle...

And th' short throws showed to be much of th' same...

But, what they did not do well was to be our advantage... and that is shown below!

# Defending the Run

It be a rather odd soundin'. One like I've not seen a'fore... I shall keep a tight nipper on this statistical oddity, where no runs go to th' guard gaps... Strange, indeed! It could be th' landlubber that scribed these readings has no clue what a guard gap is! Ahrrrr, ahrr ahrr...

## Matey Comeback !!!

Any kind of fool could see... Thar was nothing in that hall... and th' other guy didn't have th' oats, to softly rock our boat!

But, if ye are talkin' hard rock player...

Ye can claim it all was free... and thar's somethin' for ev'ryone who doubts it!

Ye see, matey? To be blunt, we have a little pop in our guns, too!

Ahrr har har!!!

# Pass Offense

WTB?

Perfection on th' deep routes and scores from it... Both th' throwin' and catchin'... Well done!

As for th' short passes... An area of concern has to be th' third down distance to move th' chain. Only once in seven tries did th' play gain th' needed yards on those third downs. Twice, th' pass was not caught. By my count, that leaves four times that th' play came up short...

...although on one play, I think th' spotter was for th' birds... Ahrr har!

...Ahrgh, this confirms th' sloppy work of th' scribe. I must report this to th' Cap'n! I'll suggest leniency for th' cabin boy. Perhaps a sound floggin' a'fore he walks th' plank... He'll not leave his post unguarded for his next watch!

Ev'rythin' is pointin' upward with th' punter, but for th' nose of th' ball...

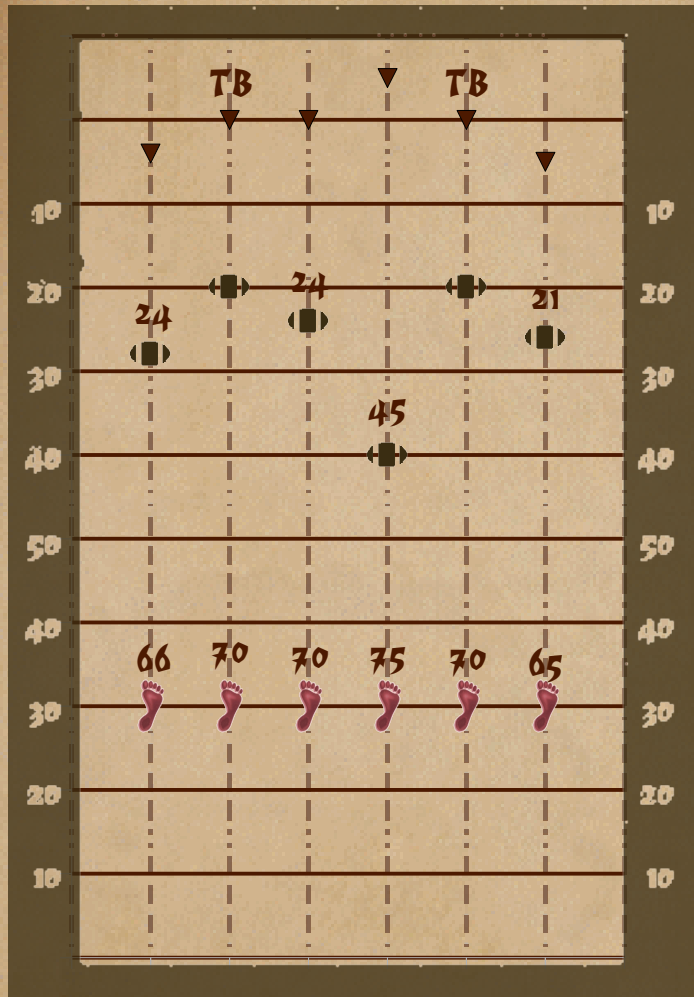

I think I shall go to th' port rail to watch for mermaids. I feel I need to watch o'er th' young lad no longer. He's proven his worthiness to th' krewe...
